BRAWNY BRAVES.

TEN CORRALLED BY DEPUTY MARSHAL LILLIE.

CHARGED WITH SELLING RED EYE.

Every Mother's Son of Them Dentes the Charge—Captain Butner Makes a Haul—New Prisoners Lodged in the Federal Jail.

Another band of greasy Indians was brought to the city yesterday by Deputy United States Marshal Captain Lillie, who has a penchant for doing this trick about once every three weeks. The prisoners were from the Creek nation and all were charged with handling the stuff that inebriates. There were ten of them, and each could lie like a trooper. The reds were taken before Attorney Stone and a preliminary examination was held. Upon seeing the prisoners Mr. Stone was rather surprised, as every mother's son of them had been before him a week ago at Tecumseh on the same charge.

The culprits were lodged in the federal jail for safe keeping until Monday.

Marion Berry, a colored man, who was taken to Tecumseh last week, was returned to the federal jail yesterday. He was sentenced to sixty days in the bastle for dealing out corn juice to the Indians.

Deputy Marshal John Hixon came in yesterday from the Iowa country. He had in his custody Henry Neal, who is charged with stealing cattle. In default of bail, he was lodged in the United States jail.

Captain Butner came down from Enid yesterday with three law breakers. They were H. E. Cotton, A. H. Melrose and William Melrose. All are charged with cutting timber on government lands.

The prisoners will be given a sumptuous dinner to-morrow to remind them of Christmas.

LOST HER FRIZZES.

There Was No Trouble Between Wives No. 1 and 2.

Mrs. Dora Hill who has filed a suit for divorce from her husband, John T. Hill, avers that the statement to the effect that she assaulted Mrs. Fannie Roper, or the supposed wife No. 2 of John T. Hill, is untrue. She was served with no warrant, and her visit to Santa Fe was merely on a business matter with Mr. Hill. Upon arriving at Santa Fe, Mrs. Hill hired a rig and drove out to her husband's claim. Upon arriving there she was met by the Roper woman who informed her that she (the Roper woman) was the wife of Mr. Hill. The Roper woman was saucy and in order to check her diatribe Mrs. Hill showed a gun belonging to the driver. Mrs. Roper ran away screaming and her false hair or frizzes blew off. There was no trouble, and Mrs. Hill returned to Guthrie to await the result of her divorce suit. Mrs. Hill is an estimable lady and there is no doubt that she has been wrongfully treated. Hill will probably suffer for his shady money transactions with the Kickapoo.

COL. ROSS RETURNS HOME.

What He Has to Say About the Land Office Removal.

Col. Leslie P. Ross has returned from Washington, where he has been in consultation with Hon. Hoke Smith. One of the objects of Col. Ross' visit to the capital was to ascertain the truth of the rumor concerning the removal of the land office from Oklahoma City to El Reno. He found that the change had been recommended, but that Mr. Smith decided not to approve the removal. Mr. Ross says the appointment of the two extra judges for Oklahoma will be made in January and that the impression prevails in Washington that the new judges will be Oklahoma men. In regard to statehood he thinks the bill will pass congress without the territory occupied by the five tribes.
